Know Your Rights

01

Harassment of a bicyclist is a Class A misdemeanor. To file a complaint, call 573-874-7652 (automated phone menu) or 573-442-6131 (non-emergency police dispatcher).

02

If you're in an accident: Contact the police. Assess if you need medical attention. Collect information from the driver. Ask witnesses for their name and number if necessary. Ensure your statement is heard, not just the motorist.

MU BIKE RESOURCE CENTER

What is the Bike Resource Center?

A weekly event (weather permitting) where student bike mechanics:

- Educate students about bike safety
- Provide information about the rules of the road and safe riding
- Repair bikes for free and refer students to local bike shops if necessary

Bike Resource Center FAQ

- What kind of repairs does BRC provide?

If your tire is flat we can air it up for you. We can also patch up holes in the tire as a temporary fix until you can get a new tube and/or tire. We can also do a tune up and a diagnostics for you. When it comes to replacing parts, if you purchase the parts and bring them to Speaker's Circle we can get those items replaced.

- Do I have to make an appointment ahead of time?

No, this service is on a first-come-first-serve basis so come on by during the hours and days listed on our website. Check the times/days at the beginning of each semester as schedules will vary each fall and spring based on student mechanic course schedules.

How to Properly Lock Your Bike

U-Lock secured to bike rack, back wheel and around bike frame

Cable wrapped around front wheel and attached to U-Lock for added security

Accessorize Your Bike

Solid Brakes

Always make sure you can stop easily. Keep wheel rims free of dirt and grease.

Lights

See and be seen. Remember white in front and red in back. Wear reflective materials, such as jackets or arm bands to increase visibility.

Bell (or Horn)

Have something to alert others you're coming or kindly say, "Passing on your left"
